

Managing Vessel Tracking in FishNet Secure

FishNet (<https://Fishnet.fisheries.qld.gov.au>) can be accessed on a computer, mobile phone or tablet.

FishNet Secure is a portal offering access to all of your licence and quota information. You can check quota balances, temporarily transfer quota, view your Vessel Tracking device/s, Add/Move Vessel Tracking devices or look at other licence information. FishNet Secure is updated in close to 'real-time' to give you fast and secure access to your details.

1. Log in process for FishNet Secure

<p>If you are an existing FishNet Secure user and have a password, log in through the Sign In page.</p> <p>If you have accessed FishNet before but have forgotten your password, use the Password Recovery function to have a new password emailed to you.</p> <p>If you have never used FishNet Secure and do not have a password, you can Register for a password. You will need to know your Client Number, Mobile number and Email address recorded with the department.</p>	
<p>Client Number Your Client Number is shown on the on the top right of your Tax invoice/Statement</p> <p>Password (do not share)</p> <p>Tick for FishNet to remember your Client Number</p> <p>You need to tick you agree with Terms and Conditions before you sign in</p> <p><i>Sign in</i></p>	

2. To add/move a Vessel Tracking Unit

Once logged in, on the left side of the home page, click on drop down arrow:
